

We never give up on giving back.

For so many of us, helping other is just a part of who we are. And we have a chance to help everyone right now by getting a COVID-19 vaccine as soon as we can.

Until you're fully vaccinated (2 weeks after your final dose), wear a mask inside public places, stay at least 6 feet apart from people who don't live with you and who may not be vaccinated, and avoid crowds.

The more we slow the spread of COVID-19, the faster we'll get back to giving back.

You have three ways to find vaccines near you:

- **Go to [vaccines.gov](https://www.vaccines.gov)**
- **Text your ZIP code to 438829**
- **Call 1-800-232-0233**
